Survey for November's Build an Adventure Training Day

Hello Leaders!

The training team needs your help.....in order to make our November Workshop meaningful for leaders of all levels of Scouting, we need your help answering the following questions. We want to offer the skills sessions that not only benefit you as a leader but, enable you to deliver the best program possible to our youth.

All I ask is that you take your time and give your answers some serious thought. Your responses can be returned either via e-mail to underwatermom@sbcglobal.net or via fax at 815-838-2464. If you prefer to talk to me personally, I can be reached at 630-774-0083. It will be most helpful if you can respond by January 31, 2017. Our next committee meeting is Feb. 1st. and reviewing your answers will be top priority for the evening.
